The POST ANGELES Volunteer Center, located in the St. Andrew's Ukrainian Church, is an initiative whose mission is to collect and ship humanitarian aid for victims of war in Ukraine. Since the start of the war in February 2022 dozens of volunteers have joined us in the collection, processing, sorting, loading and delivery of aid, packing up to 100 ready-to-ship boxes daily. The packages include medicine and medical supplies, hygiene products, diapers, food, and life-saving protective gear for people on the front lines. Apart from the operational cost of running our volunteer center, the cost of sending this vital aid includes the cargo's weight, aircraft's fuel, and the purchase of the aid itself. Thus we count on donations from our community to make this effort possible and 100% of donations go toward covering these expenses. For more information please visit our website at www.postangeles.org where you can find detailed delivery reports, a list of priority items to purchase that are needed in Ukraine, and updates about our effort. Слава Україні!
